How a Donation Makes a Difference to This Program

Please help us to show United Way donors and potential donors how their gift makes a difference to this program. Please provide two different examples of how a \$500 donation will impact the individuals served by this specific program. Please notice the importance of the latter part of the sentence which portrays the impact of that unit of service.

Example: \$500 will allow 22 children to receive one book per month for an entire year which will increase their vocabulary and their chances of becoming a proficient reader.

Example: \$500 will put purchase 200 meals for the Senior Meals on Wheels program.
